

Safety Precautions for November 3, 2020 Presidential Election

- Each poll location will have a layout and signage for voter check-in, voting booths & equipment, spaced 6 feet apart.
- Poll workers will be provided with: face masks, face shields, gloves, hand sanitizer, Sani-Cloth wipes for the electronic poll books/wipes for tables, door handles and other equipment. Rovers will carry additional supplies if needed.
- Experienced poll workers will be able to take classes on-line to reduce the need for training at the board office.
- Our website and Social Media will advise voters to maintain 6 feet of separation at the polling place and to consider bringing their own marking device, a blue or black ink pen, sanitizer & mask. (pens, hand sanitizer and masks will be available for voters who do not bring their own.)

Thank you for your continued support of our elections!

Karla Herron
Director
Delaware County Board of Elections

A handwritten signature in black ink that reads "Karla Herron".

Anthony Saadey
Deputy Director
Delaware County Board of Elections

A handwritten signature in black ink that reads "Anthony Saadey".
