

REMINDERS for BOE Volunteers

1. Thanks so much for signing up!!!
2. While most of our candidates have a party designation, Judges do not – that’s why this sample ballot is so important.
3. The 100-foot border that we need to respect is clearly marked by American flags. Outside of that, it is LEGAL to do “electioneering”, which includes offering partisan sample ballots to voters, handing out campaign literature, and wearing political clothing and hats.
4. If anyone wants to know, this is Ohio Law, Ohio Revised Code, 3501.35
5. When you are done with the materials you picked up at the Carpenters, please return them to the plastic bin on the porch at 932 Executive Blvd in Delaware. We have limited stock at this time and unless you see the next persons signed up to distribute to hand off to them, we will run out quickly.
6. If you are so inclined, we would appreciate others making copies as needed. You can download and print from here: <https://bit.ly/DelCoDemBallot>
7. Come back and sign up for more shifts – it’s fun!
